2015 Summer Sustainability Scholar

Eligibility: GSU Currently enrolled Undergraduate and Graduate Students

Term: May 18th, 2015 - August 11th, 2015

Roles and Responsibilities:

Realizing that sustainability is a journey and not a destination and is a journey that oftentimes requires flexibility and creativity, the GSU Sustainability Scholar will not be beholden to a predetermined number of hours during their term. The student will, however, be expected to produce quality outcomes as specified below in the term identified and will also be expected to attend and report at a weekly meeting in the GSU Office of Sustainability to update the staff on their progress and make them aware of any hurdles to success.

Objectives:

- Consistently update the GSU Sustainability social media outlets (Instagram, twitter, Facebook)- (minimum of 2-3 times weekly)
- Assist in the creation of high-quality communication and advertising campaigns for the Office of Sustainability
- Energy & Water: Assist OOS and Facilities in accurately benchmarking energy and water consumption
- Student Engagement: Compile database of student organization and advisor contacts
- Recycling: Create database/map to inventory recycling bins across campus
- Food: Assist in the creation of campus CSA Program and running of monthly farmers markets.
- Create a guide to sustainable living for campus users.

Required Skills:

- Experience in Graphic Design
- Excellent writing and oral communication skills
- Proficient in Excel, PowerPoint, twitter, Instagram, and Facebook
- 1-2 years enrollment at university
- Some sustainability knowledge preferred

If interested, please send a cover letter and resume to sustainability@gsu.edu by close of business on Monday, May 11th, 2015.
